The use of eye protective devices by persons engaged in hazardous activities or exposed to known dangers in schools, colleges, and universities is mandated by Act 116.

**The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:**

Section 1: Every teacher, student, visitor, spectator, and every other persons in any class or laboratory in public or private schools, colleges, and universities who is engaged in or is within the area of known danger created by:

- (1) The use of hot liquids, solids, or gasses, or caustic or explosive materials, or
- (2) The milling, sawing, turning, shaping, cutting, grinding, or stamping of solid materials, or
- (3) Tempering, heat treatment or kiln firing of metals and other materials, or
- (4) Gas or electrical welding, or
- (5) The repairing or servicing of vehicles.

**shall wear industrial quality eye protection devices at all times while engaging in such activities or exposed to such known dangers.**

**Section 2:** Schools, colleges and universities...shall furnish such devices to all visitors and spectators and all other persons required under the provisions of this ACT to wear them.

**Section 3:** Enforcement of this ACT shall be in accordance with standards, rules and regulations promulgated by the State Board of Education.

---

It is understood and agreed that should I lose or damage in any way the glasses that have been given to me in accordance with this ACT, I will pay for repairs or replacement of the glasses. It is further understood that I will not be allowed to attend my classes and will lose credit until such time that repairs or replacement is made.
